

About The Registry

The NACD New England Directors Registry provides public and private companies with access to directorship candidates from our membership.

Our service answers the need many corporations have to specifically recruit New England-based independent directors. We offer a customized and effective way for your organization to find outside directors from a broad and varied talent pool.

About Chapter Membership

The New England Chapter currently has a membership of 600 professionals. Our members are CEOs, CFOs, or Division Managers who have board experience. They are directors who are committed to continuing education about governance through regular participation in our education programs and completing NACD's two day Director Professionalism program.

The NACD New England Chapter Directors Registry is sponsored by Fitzgerald, Stevens & Ford, Inc./OIP

Are you a Company searching for Directors?

Initiating a search is straightforward. Corporations and/or their Boards can confidentially submit requirements by going to our website, www.nacdne.org. Click on the "Registry" button and you will be asked to provide your contact information. Alternatively, you can call either of the people listed below who will be happy to answer your questions and note your information. A member of the Screening Committee will be assigned to contact you to discuss your needs and our process in more detail. The Screening Committee member will work with you throughout the process. Once your information is complete, the Screening Committee, comprised of experienced directors, will review our database for candidates that meet your criteria and forward their resumes.

Are your clients searching for Directors?

If you advise a board, here is an unusual opportunity to add value. Help them expand their sources of candidates through the Directors Registry. All candidates are members of NACD and thus strong independent director candidates. Ask your clients that are seeking directors to follow the above process, or contact us directly with their contact information. We will reach out to them.

Are you a Member looking for a Directorship?

If you are seeking your first or additional directorships, register with the New England Directors Registry. If you would like to be considered as a candidate, complete the members' registration on our website and send us your resume. The service is available to New England NACD members and supplements NACD's national Directors Registry

Are you a Member on a Board that needs to add a Director?

If you are on a Board that is seeking to recruit an additional member, or know of a company that will soon be in a search, please give us a call with their contact information.

Contact us today to learn how our database of directorship talent can benefit your organization.

For more information visit our website at www.nacdne.org or call Julie Conroy, NACD New England Chapter Administrator at 781-461-2668 or Steve Ford, Directors Registry Committee Chairman at 978-369-0455
